

ULTRA WHITE MAGNETIC GLASSBOARDS

A modern alternative to traditional whiteboards, the all new **Ultra White Magnetic Glassboards** have transformed the whiteboard game. They are incredibly versatile, their unique design and sleek appearance enhances any decor, creating a contemporary look.

The **Starphire Glass** is low iron high quality glass which eliminates the greenish-blue tint that can be visible in glass. It is durable, chemical and stain resistant and magnetic.

Ultra White Magnetic Glassboard Features:

MODERN - Aesthetically superior and versatile design available in both portrait and landscape.

FRAMELESS - Uncluttered and borderless to create clean lines for a modern appearance.

HIGH QUALITY - Stain and chemical resistant toughened safety glass which eliminates ghosting.

CONCEALED FIXING or GLASS CLIPS - Simple & strong. Includes clear acrylic pen tray.

Polished edges and 6mm rounded corners.

Toughened 6.0mm magnetic safety glass conforms to:
AS/NZS 2208:1996 - Safety glazing materials in buildings.
50 year warranty on writing surface.
